## PRESIDENT'S REPORT – DAVID JONES

Happy New Year to each of you! We held our first meeting of the year on Sunday January 8<sup>th</sup> and our first planning meeting for the "5<sup>th</sup> Annual Vettes Doin Charleston Show". How time flies, where did 2011 go? I anticipate this year's show will be even bigger and better than 2011. Word in the Corvette community is that we put on a great Meet and Greet and Car Show.

Congratulations go to Dennis and Kathy Smail this year's Chili Cook Off winner. Thanks to Mishell and Fred Warner for opening their home to host our Chili Cook Off. Our social events are a lot of fun, allow us to get together to fellowship and most of all eat. If you have never been to one of these events I would encourage you to attend to see how much fun we have at these social outings.

Our show schedule is taking shape and should be another rewarding year. I encourage everyone to get involved and participate in the planning of our shows. We have a great time, all creative ideas are appreciated and these shows are all to raise money for a designated charity. You will also get the chance to meet some wonderful people from the low country and see some wonderful cars.

I look forward to a fun and prosperous 2012 with the Coastal Carolina Corvette Club. I hope to see you at our events.

Enjoy Your Vette with Your Club!  
David

### **5<sup>th</sup> Annual "Vettes Doin Charleston" Show**

It is time to begin our planning for the 5th Annual "Vettes Doin Charleston" Show on Saturday, April 21st. For all our new club members – we do not compete with our show participants, but with each other and there is no fee for our club members, so please bring your Corvette out for this show. **A little of your time, your ideas and your participation is all we ask!**

Sign up sheets for the various committees will be circulated at the February club meeting so please be thinking about what committee would suit you best to help with. Parking, registration, ballot counting, 50/50 are just a few areas you can help. One of our challenges this year will be our parking layout for the show. If there is anyone who has a burning desire or thoughts of how we need to lay out our parking for the show keep you up at night, please contact me. All ideas and help will be appreciated!

Our Meet and Greet on Friday evening, April 20th prior to the show is a huge hit. This is for all pre-registered guests and our club members. We plan to do something a little different this year and provide decorated sheet cakes for dessert. The Meet and Greet is a great opportunity for our club members to mingle with the show participants and show off our Southern Hospitality!

We look forward to our 2012 VDC Show and have already received emails from out of state clubs asking when registration opens.

Please if you have any questions feel free to contact me. This show has been extremely successful and has been a hit with many out of the area Corvette owners and clubs that support us every year.

*Let's make our 2012 VDC Show our Best Yet!*
